

Nikki Cleary, Sorry For Myself

Hello

Hi

Hey

I heard you weren't going out with us today

Nah I don't feel like it

Oh at least come to the mall

No

Tod's gonna be there

-ugh-

I'm so glad it rained today

didn't want to get up anyway

I'm gonna watch a downer flick

And eat chocolate till i'm sick

Don't call

don't come over

Don't try and make me laugh

Chorus:

I'm feeling sorry for myself

Stay away

this is my day

i'm loving it

i don't want nobodys help

i know what i need

don't feel sorry for me

i'm feeling sorry for myself

i'm not gonna leave my room

i just might cry all afternoon

takes a lot of work to feel this bad

it feels so good to feel this sad

don't call dont come over don't try make me laugh

Chorus:

I'm feeling sorry for myself

Stay away

this is my day

i'm loving it

i don't want nobodys help

i know what i need

don't feel sorry for me

i'm feeling sorry for myself

i don't want to talk about it

i wanna be left alone

it's no big deal

its how i feel

I've said too much

and thats enough

i'm hanging up

dont call

don't come over

don't try to make me laugh

Chorus: x2

I'm feeling sorry for myself

Stay away

this is my day

I'm lovin' it

i don't want nobodys help

i know what i need

don't feel sorry for me

i'm feeling sorry for myself

i've said too much and thats enough
i'm hanging up
