

Nikki Hassman, Adore You

Oh Yeah...Oh Yeah...Oh Yeah...Yeah...

are there words enough
to describe the way i feel
can a silly crush
turn in to something so real?
in a thousand ways
in a thousand hidden places
you have touched my heart
and the feeling never changes

i'm crazy for
lonely for
i adore
you...

crazy for
craving more
i adore
you...
(oh yeah, oh yeah, you you, i adore you, oh yeah)

if the world were mine
i would lay it at your feet
just to see you shine
its the only thing i need

i'm crazy for
lonely for
i adore
you..

crazy for
craving more
i adore
you...
(oh youuuu, i adore you, oh yeah)

ooh
when we kiss
everytime
oh we have a time
its enough

when i'm crazy for
lonely for
i adore
you...

crazy for
craving more
i adore
you...

crazy for
lonely for
i adore
you...

crazy for
i'm craving more
i adore
you
(ooh, you, you, i adore you oh yeah oh yeah)
