

# Nikki Webster, Something More Beautiful

I want something more  
Something more beautiful  
I need something more  
Something more beautiful

Chorus

I, I want something more  
I want something more from you, boy  
You want us to be friends  
I'll be losing again  
Don't you know what I want from you, baby  
Something more Beautiful

Oh, baby  
You got me  
You got me wrapped around you

Anything  
You would say  
Would make me go insane, cause

Bridge  
I think about us all the time  
I'd love you forever, if you were mine

Chorus

Oh, baby  
You know it  
You got to make your mind up

Why don't you  
Just tell me  
What you are waiting for, cause

Bridge

Chorus

I want us to be more than friends  
My love for you will never end  
If only you believe  
Baby, can't you see  
It's got to be you and me

Chorus
