

Nikola Sarcevic, Goodbye I Die

Even though I'm sorry
I miss you tonite
Even though I worry
I pretend that's alright
I begged you to come back
You said you would not
I burned all the pictures
Of you that I got

You and I said goodbye
Still I will love you
Till the day that I die

When I think about love
I think about you
And I can't do without love
It's sad but it's true
And I've been hearing rumors
And still I don't know
Rumors of another
Please say it ain't so

You and I said goodbye
Still I will love you
Till the day that I die
You and I are all through now
Still I will love you
Till the day that I die

You and I said goodbye
Still I will love you
Till the day that I die
You and I are all through now
Still I will love you
Till the day that I die
Till I die
Till I die
Till I die
