

# Nikola Sarcevic, Nobody Without You

I'm nobody without you,  
Just a shell,  
I'm like a flower with no smell,  
It's a living hell.  
Yeah, I'm nobody without you,  
Just a frame,  
I'm like a fire with no flame,  
I'm living in shame.

'Cause you're my sunshine  
To keep me warm,  
You're my shelter and my hideout  
In rainy days and storm.  
You're my laugh-line when I am blue,  
You put balm into my wounds,  
I'm nobody without you?  
Yeah, I'm nobody without you?

Yeah, I'm nobody without you,  
Just a freak,  
I'm like a bucket where it leak.  
Oh boy, I am weak.  
Yeah, I'm nobody without you,  
Just a fool,  
I'm like a jointer with no tool?  
Oh, life isn't cool

'Cause you're my sunshine  
To keep me warm,  
You're my shelter and my hideout  
In rainy days and storm.  
You're my laugh-line, make me feel new.  
You give the only love I know,  
I'm nobody without you.  
Yes, I'm nobody without you  
Yeah, I'm nobody without you  
Just nobody without you.

Without your loving,  
Without you I am weak.  
Without your hugging I'm nothing but a freak.  
Without you, baby,  
Without you I cannot sing.  
Without you, darling, I'm like a bird who lost its wings,  
I'm not a thing.

'Cause you're my sunshine  
To keep me warm,  
You're my shelter and my hideout  
In rainy days and storm.  
You're my laugh-line, a dream come true,  
You're the only truth I know,  
I'm nobody without you.  
Yes, I'm nobody without you?  
Yeah, I'm nobody without you  
Just nobody without you
