

NILS LOFGREN, You

Ah, you, wake me with the gentlest touch.
When you, kiss me, oh, I feel I must I have you;
You have everything I need,
Except a burning love for me.

When I first saw you that day,
I had to ask you stay.
We ate and drank to much,
And our hearts softly touched.
Now, in us I do believe,
Or have I been deceived?

Ah, you; you come down like early rain, and you,
Wash away my every pain, and you,
You have everything I need,
Except a burning love for me.

Well we had this for a while,
And when we make love, you'd always smile.
Still, there's a distance I can't close.
I'm in deeper, and it shows. It shows.

Well, while our hearts are young and there's still time,
Tell me what to do to make you mine,
Oh, mine, ah, you.
You walk outside and birds start to sing, ah, you.
You look at me and know everything I feel
I feel, grant me one wish, and I'll be free.
I want you more in love with me.
I want you more in love with me, ah, you.
