

# Nina, A Girl Can Dream

When I was a child the story would say  
Somebody will sweep you off your feet some day  
That's what I hoped would happen with you  
More than you could know

I wanted to tell you that my heart's in your hands  
I prayed for the day that I would get the chance  
And just when I worked up the courage to try  
Much to my surprise

You had somebody else  
These feelings I keep to myself

I may never get to hold you so tight  
I may never get to kiss you goodnight  
I may never get to look deep in your eyes  
Or so it seems  
I always will be wishing you were mine  
I'll think about what could be all the time  
All the happiness that I could find  
Baby, a girl can dream

From the moment I wake up till I fall asleep  
I imaging you're not with her but with me  
Talking and laughing sharing our dreams  
But it's just a fantasy

Cause you have somebody else  
These feelings i keep to myself

...A girl can dream its true  
And to call you my own  
It's the sweetest dream I know

(repeat chorus)
