

# Nina Hagen, La

everyone's against me,  
they made me this way  
everyone's against me,  
they'll be sorry one day

lass mich in ruhe, leave me alone  
lass mich, lass mich in ruhe  
leave me, leave me alone  
lass mich, lass mich in ruhe

ignoranten, seht sie euch an one by one  
alles mutanten, spoiling my fun

lass mich in ruhe, leave me alone  
lass mich, lass mich in ruhe  
leave me, leave me alone  
lass mich, lass mich in ruhe

helmut, ich hasse dich  
du machst mich krank  
aber ich passe nicht,  
gott sei dank bin ich punk

lass mich in ruhe, leave me alone  
lass mich, lass mich in ruhe  
leave me, leave me alone  
lass mich, lass mich in ruhe

lass mich in ruhe, leave me alone  
lass mich, lass mich in ruhe  
leave me, leave me alone  
lass mich, lass mich in ruhe
