

# Nina Hagen, Pillow Talk

Pillow talk, pillow talk  
Another night I hear myself just  
Talk, talk, talk  
Wonder how it would be  
To have someone to pillow talk to me  
I wonder how  
I wonder who  
Pillow talk, pillow talk  
Another night I'm being alone with  
Talk, talk, talk  
When it's all said and done  
Two halves together they can be better than one  
That's what they say  
They always say  
All I do is talk to my pillow,  
Talk to my pillow,  
Talk to my pillow  
All I do is talk to my pillow,  
Talk about the boy I'm going to marry  
Someday  
Somehow  
Somewhere  
Sometime  
Pillow talk, pillow talk  
Another night I get my pillow to  
Talk, talk, talk  
My pillow and I, we both agree  
There must be a boy  
There must be a pillow  
There must be a pillow-talking boy for me  
I hope I'm right  
I hope I'm right  
I better be right  
I better be right  
Oh, there must be a pillow-talking boy for me  
There must be a boy  
There must be a boy  
There must be a boy  
All I do is talk to my pillow,  
Talk to my pillow,  
Talk to my pillow  
All I do is talk to my pillow,  
Talk about the boy I'm going to marry  
Someday  
Somehow  
Somewhere  
Sometime
