

# Nina Nesbitt, Just Before Goodbye

You got new jeans, the blue one is not gone  
I'm in a new dress that I've never worn  
And I could've sworn  
You didn't bat and I went a walk  
Into the room of our first talk  
You could be the one

Have we been seeing the world through a piece of shattered glass  
Cause something so beautiful can fall apart so fast

Just before goodbye  
You have a chance to change your mind  
Just before you lie saying  
You gave these your best try  
It's not enough to try  
You have to give your burden, tears and time  
You have one last chance to change your mind  
Just before goodbye

Curtains are drawn, but we're still dressed  
The film plays on while under my bed  
I ask what is life, now  
But you ignore, pretend that we're fine  
We're not together half of the time  
I would've known the signs

Have we been seeing the world through a piece of shattered glass  
Cause something so beautiful can fall apart so fast  
Don't you understand

Just before goodbye  
You have a chance to change your mind  
Just before you lie, saying  
You gave these your best try  
It's not enough to try  
You have to give your burden, tears and time  
Take the word of burden's side  
You have one last chance to change your mind  
Just before goodbye

Just before goodbye  
You have a chance to change your mind  
And just before you lie, saying  
You gave these your best try  
It's not enough to try  
You have to give your burden, tears and time  
Take the word of burden's side  
You have one last chance to change your mind  
Just before goodbye  
Before goodbye  
Before goodbye
