

Nina, Piano In The Dark

When i find myself watchin' the time
I never think about all the funny things you said
I feel like it's dead
Where is it leading me now
I turn around in the still of the room
Knowin' this is when I'm gonna make my move
Can't wait any longer
And I'm feeling stronger but oh

Just as I walk (just a little more time) to the door
I can feel your emotion yeah it's pullin' me back
(just a little more time) back to love you

Oh no caught up in the middle
I cry just a little when i think of lettin' go
Oh no gave up on the riddle
I cry just a little when he plays piano in the dark

He holds me close like a thief of the heart
He plays a melody born to tear me all apart
The silence is broken
And no words are spoken but oh

Just as I walk (just a little more time) to the door
I can feel your emotion yeah it's pullin' me back
(just a little more time) back to love you

Oh the silence is broken
No words are spoken but oh

Just as I walk (just a little more time) to the door
I can feel your emotion (oh baby) oh baby hold me back
(just a little more time) back to love you

Oh no caught up in the middle
I cry just a little when I think of lettin' go
Oh no gave up on the riddle
I cry just a little ooh I cry I cry I know
