(feat. Daytona)

Yea It's Daytona (Daytona)
And Nina Sky (Nina Sky)
So take ya clothes off
Ill show you why

Now If you throw em off in the club
(throw em off in the club)
Take ya clothes off in the club
(clothes off in the club)
Now If you throw em off in the club
(throw em off in the club)
Take ya clothes off in the club
(clothes off in the club)

When you see me steppin in the club say Oh! (Oh)
Got my body feeling so invincible (Oh)
The way you lookin threw me like you want it off (Off)
But first I wanna see it baby, take it off

The way that you shakin it
Makes me still like you
Ive done this all before now
Baby I know just what to do
Pull me in a little more
I like your touch
Its got me thinkin just a little too much

What I wanna do
I imagine you
with your clothes off, get your clothes off
baby
I would like to, get a look at you
with your clothes off, get your clothes off
What I can do do do do do ya do ya you
with ya clothes off

Slide it up a little closer, just like that
Thinkin Im a good girl, told ya not so fast
Gotta learn a little thing or two bout me
Like a man who aint afraid to be sexy

The way that you shakin it
Makes me still like you
Ive done this all before now
Baby I know just what to do
Pull me in a little more
I like your touch
Its got me thinkin just a little too much

What I wanna do
I imagine you
with your clothes off (with your clothes off baby)
I would like to, get a look at you
with your clothes off, get your clothes off
What I can do do do do do ya do ya you
with ya clothes off

(i see you)
What I can do do do do do ya do ya you
with ya clothes off

(Daytona Part- n/a)

I would like to get a look at you
with your clothes off, get your clothes off
I would like to get a look at you
with your clothes off, get your clothes off

What I wanna do I imagine you
