

Nina, Someday

Someday you're gonna realize
One day you'll see this through my eyes
By then I won't even be there
I'll be happy somewhere even if I cared

I know you don't really see my worth
You think you're the last guy on earth
Well I've got news for you
I know that I'm not that strong
But it won't take long, won't take long

Cause, someday someone's gonna love me
The way I wanted you to need me
Someday someone's gonna take your place
One day I'll forget about you
You'll see I won't even miss you
Someday, someday

Right now I know you can't tell
I'm down and I'm not doing well
But one day these tears, they will all run dry
I won't have to cry sweet goodbye

Cause, someday someone's gonna love me
The way I wanted you to need me
Someday someone's gonna take your place
Oh, one day I'll forget about you
You'll see I won't even miss you
Someday, I know someone's gonna be there

Someday someone's gonna love me
The way I wanted you to need me
Someday someone's gonna take your place
One day I'll forget about you
You'll see I won't even miss you
Someday, someday
