

Nine Days, Shoes On The Bed

Some dreams mean somethin' that you'll never know
Some dreams mean nothin', just a river that flows
Moonlight has magic through the window
When it shines on the one you love
Don't step on cracks in the street
Make your wishes count on the clock
You don't leave your shoes on the bed
If you want to be with the one you love

And it's so, so hard to see
Your way in this world
And it's so, so hard to find
A little peace of mind (mind)
And it's so, so hard I know
Which way to go, which way to go
Aww, but if there's one thing that I know
It's that I need you

Don't think too hard on the words you say
Don't dwell too long on yesterday
You don't leave your shoes on the bed
If you want to be with the one you love

And it's so, so hard to see
Your way in this world
And it's so, so hard to find
A little peace of mind (mind)
And it's so, so hard I know
Which way to go, which way to go
Aww, but if there's one thing I know
It's that I need you

I don't want anybody else but you
No, and I don't need this world fallin down

Some dreams mean somethin' that you'll never know
Some dreams mean nothin', just a river that flows
You don't leave your shoes on the bed
If you want to be with the one you love

And it's so, so hard to see
Your way in this world
And it's so, so hard to find
A little peace of mind (mind)
Oh, and it's so, so hard I know
Which way to go (which way to go), which way to go
Aww, and it's so, so hard to find
A little peace of mind (a little peace of mind), a little peace of mind
Aww, and it's so, so hard I know
Which way to go, which way to go
Aww, but if there's one thing I know it's that I need you
