

# Nine Horses, The Banality Of Evil

I've got me a badge, a bright shiny badge  
I'm painting the crest in yellow and blue  
I've got me a club, an exclusive club  
It doesn't include a place for you

Hey..hello neighbour  
Hey..hello neighbour  
Right you are

It's in the way that you walk  
All of the changes, all the mistakes  
In the demands you constantly make

It's in the way that you grieve all of the loss  
You don't know when you're better off  
Or at what cost  
You've got it good

The Banality Of Evil

Benevolent mother, smother the child  
The benefactors are in denial

Hey..hello neighbour  
Hey..hello neighbour  
Right you are

There was a time, not so long ago  
I was master of everything I surveyed  
Yes, there was a time  
We did it my way  
Well do things my way

Benevolent mother, smother the child  
The perpetrators are in denial  
The banality of evil

King of the castle  
Room at the top  
Off with their heads  
Chop 'em off  
The banality of evil

Benevolent mother, smother the child  
The benefactors are in denial  
The banality of evil

King of the castle  
Room at the top  
Off with their heads  
Chop 'em off  
Hey..hello neighbour

I don't believe in what you believe  
Your skin is filthy  
And your gods don't look like god to me

But I want to touch you  
Now that isn't right  
No, that can't be right  
But I want to touch you  
You're leading me on I know it

Hey

King of the castle  
More room at the top  
All sorts allowed  
Now the gloves are off  
Hey hello neighbour

Benevolent mother, smother the child  
The benefactors are in denial  
The banality of evil

King of the castle  
Room at the top  
Off with their heads  
Chop 'em off  
The banality of evil

Benevolent mother, smother the child  
The perpetrators are in denial  
The banality of evil

King of the castle  
Room at the top  
Off with their heads  
Chop 'em off  
The banality of evil
