

Nine Inch Nails, Discipline

Am I
Am I still tough enough?
Feels like I'm runnin' down, down, down, down down
Is my viciousness
Losing ground, ground, ground, ground, ground?
Am I taking too much
Did I cross the line, line, line?
I need my role in this
Very clearly defined

I need your discipline
I need your help
I need your discipline
You know once I start I cannot help myself

And now it's starting up
Feels like I'm losing touch
Uh and nothing matters to me
Nothing matters this much
I see you left a mark
Up and down my skin, skin, skin
I don't know where I end
And where you begin

I need your discipline
I need your help
I need your discipline
You know once I start I cannot help myself

(I cannot stop myself)

(Once I start I cannot stop myself)

(And you know
Once I start I cannot stop myself) x4 (continues till end)

I need your discipline
I need your help
I need your discipline
Because once I start I cannot stop myself

I need your discipline
Because once I start I cannot stop myself

And you know once I start I cannot help myself
Once I start I cannot stop myself

I need your discipline
Because once I start I cannot stop mys-
