

# Nine Inch Nails, Even Deeper

I woke up today  
to find myself in the other place  
with a trail of footprints  
from where I ran away  
it seems everything I've heard  
just might be true  
and you know me  
(well you think you do)  
sometimes, I have everything - yet I wish I felt something

do you know how far this has gone?  
just how damaged have I become?  
when I think I can overcome  
it runs even deeper

and in a dream I'm a different me  
with a perfect you  
we fit perfectly  
and for once in my life I feel complete  
and I still want to ruin it  
afraid to look  
as clear as day  
this plan has long been underway

I hear them call  
I cannot stay  
the voice inviting me away

do you know how far this has gone?  
just how damaged have I become?  
when I think I can overcome  
it runs even deeper  
everything that matters is gone  
all the hands of hope have withdrawn  
could you try to help me hang on?  
it runs...

I straight  
I won't crack  
on my way  
and I can't turn back  
I'm okay  
I'm on track  
on my way  
and I can't turn back  
I stayed  
on this track  
gone too far  
and I can't come back  
I stayed  
on this track  
lost my way  
can't come back
