

Nine Inch Nails, Get Down Make Love

How old were you when you first let a man make love to you?

Next, who was he?

Next, how did you feel at the time?

Next, how did you feel afterward?

What did you feel, what did you think, were you pleased, frightened, ecstatic, disgusted?

What did he say, what words did you speak, that's what I want to know, now, tell me, now, now, all

Get down, make love

Get down, make love

Get down, make love

You take my body

I give you heat

You say you hungry

I give you meat

I suck your mind

You blow my head

Make love inside your bed

Everybody

Get down make love

Get down make love

Get down make love

Every time I get hot, you wanna cool down

Every time I get high, you wanna go down

You say it's enough, in fact it's too much

Every time I wanna get down, get down, make love

I can squeeze, you can shake me

I can feel, when you break me

Come on so heavy-then you take me

You make love, you make love, you make love, you make love

You can make everybody

Get down, make love

Get down, make love

Every time I get high, you wanna go down

Every time I get hot you say you wanna cool down

You say it's enough, in fact it's too much

Every time I wanna get down, get down, get down make love

Get down, make love

Get down, make love

Get down, make love

Get down, make love

Every time I get high, you wanna go down

Every time I get hot you say you wanna cool down

You say it's enough, in fact it's too much

Every time I wanna get down, get down, get down make love
