

# Nine Inch Nails, Only

I'm becoming less defined as days go by  
Fading away  
And well you might say  
I'm losing focus  
Kinda drifting into the abstract in terms of how I see myself

Sometimes I think I can see right through myself [x2]  
Sometimes I can see right through myself

Less concerned about fitting into the world  
Your world that is  
Cause it doesn't really matter anymore  
(no it doesn't really matter anymore)  
No it doesn't really matter anymore  
None of this really matters anymore

Yes I am alone but then again I always was  
As far back as I can tell  
I think maybe it's because  
Because you were never really real to begin with  
I just made you up to hurt myself

[x2]  
I just made you up to hurt myself, yeah  
And I just made you up to hurt myself

And it worked.  
Yes it did!

[Chorus:]  
There is no you  
There is only me  
There is no you  
There is only me  
There is no fucking you  
There is only me  
There is no fucking you  
There is only me

Only [x4]

Well the tiniest little dot caught my eye and it turned out to be a scab  
And I had this funny feeling like I just knew it's something bad  
I just couldn't leave it alone, I kept picking at the scab  
It was a doorway trying to seal itself shut  
But I climbed through

Now I am somewhere I am not supposed to be, and I can see things I know I really shouldn't see  
And now I know why, now, now, now I know why  
Things aren't as pretty  
On the inside

[Chorus]

Only [x8]
