Nine Inch Nails, The Hand That Feeds

You're keeping in step In the line Got your chin held high and you feel just fine Cause you do What you're told But inside your heart it is black and it's hollow and it's cold

Just how deep do you believe? Will you bite the hand that feeds? Will you chew until it bleeds? Can you get up off your knees? Are you brave enough to see? Do you want to change it?

What if this whole crusade's A charade And behind it all there's a price to be paid For the blood On which we dine Justified in the name of the holy and the divine

Just how deep do you believe? Will you bite the hand that feeds? Will you chew until it bleeds? Can you get up off your knees? Are you brave enough to see? Do you want to change it?

So naive I keep holding on to what I want to believe I can see But I keep holding on and on and on and on

[8X]

Will you bite the hand that feeds you? Will you stay down on your knees?
