Nine Inch Nails, The Wretched

just a reflection
just a glimpse
just a little reminder
of all the what abouts
and all the might have
could have beens
another day
some other way
but not another reason to continue
and now you're one of us
the wretched

the hopes and prays the better days the far aways forget it

it didn't turn out the way you wanted it to it didn't turn out the way you wanted it to, did it? it didn't turn out the way you wanted it to it didn't turn out the way you wanted it to, did it?

now you know this is what it feels like now you know this is what it feels like

the clouds will part and the sky cracks open and god himself will reach his fucking arm through just to push you down just to hold you down stuck in this hole with the shit and the piss and it's hard to believe it could come down to thisback at the beginning sinking spinning

and in the end we still pretend the time we spend not knowing when you're finally free and you could be

but it didn't turn out the way you wanted it to it didn't turn out guite the way that you wanted it

now you know this is what it feels like now you know this is what it feels like

you can try to stop it but it keeps on coming you can try to stop it but
