

# Nirvana, Big Long Now

It's not cold enough  
Please put this side up  
She is moving through (Alt: She is moon grey)  
Can we show our faces now?

I'm not interesting  
She's not turning green  
Shameful as it seems  
Can we show our faces now?

Endless climb  
I am blind  
Why can't I leave? (Alt: Why can't I hear?)  
Color blind  
Speaking a phrase  
Instantly grown  
I am blind  
Waiting in line
