

Nirvana, California

Theres only one (x4)
In California

I want to live (x4)
In California

Cause i`m tired of here
I need another place
to be alone
because i`m not lazy

Theres only one (x4)
In California

I want to live (x4)
In California

Cause I`m hate now this place
I need another chance
to live again
because I`m not crazy

I want to live there
but in another life
