

Nirvana, Center of the earth

Where should I start?
Disjointed heart
I've got no commitment
To my own flesh and blood
Left all alone
Far from my home
No one to hear me, to heal my ill heart, I

Keep it locked up inside

Cannot express
To the point I've regressed
If anger's a gift, then I guess I've been blessed, I

Keep it locked up inside
Keep my distance from your lies

It's too late to love me now
You helped me to show me
It's too late to love me now
You don't even know me

Breaking a part of my heart to find release
Taking you out of my blood to bring me peace
Breaking a part of my heart to find release
Taking you out of my blood to bring me peace

Breaking a part of my heart to find release (Break)
Taking you out of my blood to bring me peace (Me)
Breaking a part of my heart to find release (Too)
Taking you out of my blood to bring me peace

Keep it locked up inside
Keep my distance from your lies

Breaking a part of my heart to find release (Break)
Taking you out of my blood to bring me peace (Me)
Breaking a part of my heart to find release (Too)
Taking you out of my blood to bring me peace
Breaking a part of my heart to find release
Taking you out of my blood to bring me peace
Breaking a part of my heart to find release
Taking you out of my blood to bring me peace

Keep my distance
Keep my distance
Keep my distance
Keep my distance
