

# Nirvana, Cocaine Girl

Looking for a new kind of lover  
Not a girl made of rubber  
Someone who can make me feel how I wanna feel  
And tell me all the things that I wanna hear  
And make me lose control  
And make me go insane  
I want a girl that does cocaine

Cocaine(x2)

Screwed up is how she needs to be  
With no clue of reality  
I just want you to make me feel how I wanna feel  
And tell me all the things that I wanna hear  
And make me lose control  
And make me go insane  
I want a girl that does cocaine

Cocaine

And now I'm washed up,  
I've had my fun...

You know I want you

It's that girl who can make me feel how I wanna feel  
And tell me all the things that I wanna hear  
And make me lose control  
And make me go insane  
You're that girl who does cocaine

She left me for a stoner named bob
