

Nirvana, Endless, Nameless

Silence, here I am
I am, silence

Bright and clear, it's what I am
Silence, I am

Mother, Father
Father, Mother

Death and violence
Excitement, I am

Dyin', lyin'
Dyin', go to hell -- aaoohh!

Mother, no mas
No mas, Mama

Still, silence
I am, hurt again

Imagine that, crime
Here I am, (chargin')

Dead

Die
