

Nirvana, Even In His Youth

Even in his youth
Even in his youth
Even in his youth
He was nothing

Kept his body clean
Kept his body clean
Kept his body clean
He was nowhere

Disgrace family name
Daddy was ashamed
Daddy was ashamed
He was nothing

Even in his youth
Even in his youth
Even in his youth
He was nowhere

He was burning for your brew
Busting, burning, you could chew
I've got nothing left to view
If I you went, you won't need you

I'm outta' here

Even in his youth
Even in his youth
Even in his youth
He was nothing

Kept his body clean
Kept his body clean
Kept his body clean
He was nowhere

Daddy was ashamed
Daddy was ashamed
Daddy was ashamed
He was nothing

Disgrace the family name
Disgrace the family name
Disgrace the family name
He was nowhere

Read this form before you're through
Just before than you could chew
I've got nothing left to view
If you go, you won't need you

I'm outta' here

I got burned for your brew
If I nothing you could view
If you leave before you need
I've got nothing left to clean

I'm outta' here

Even in his youth
Even in his youth
Even in his youth

Yeah, yeah
Even in his youth
Yeah, yeah
Even in his youth
Yeah, yeah
Even in his youth
Yeah, yeah
Yeah, yeah
Yeah, yeah
Yeah, yeah
