

Nirvana, I Want To Know Now

here you are
watchin me
like you just did something to kill someone
i want to know now

now now now now
now now now now
now now now now!

here you are
watchin me
like you just did something to kill someone
i want to know nowyou think ur right
but i know ur not
i want to know now

now now now now
now now now now
now now now now!
