Nirvana, My best friends girl

You're always dancing down the street With your suade blue eyes And every new boy that you meet Doesn't know the real suprise

Here she comes again With her suade blue eyes (alt - when she's dancing 'neath the starry sky) Here she comes again With her suade blue eyes (alt - when she's dancing 'neath the starry sky)

She's my best friend's girl She's my best friend's girl And She used to be mine

You've got your nuclear boots and your drip try glove and when you bite your lip it's a soft reaction to love

With her suade blue eyes (alt - when she's dancing 'neath the starry sky) Here she comes again With her suade blue eyes (alt - when she's dancing 'neath the starry sky)

She's my best friend's girl - yeah yeah yeah She's my best friend's girl - yeah yeah yeah And She used to be mine
