## Nirvana, On the Mountain / You've Got No Right

I don't need to love again
I won't sigh and mope again
I don't need to love again
I just don't think it's worth it
I don't really love her
I don't think I want her
Ain't gonna take to love again
It's the way your love hurts
It's the way you're mad again
I don't think I'll love again
I won't ever promise her
I don't think I want her

This time no one else
I don't bear to follow you
I don't ever promise you
Sometimes I don't love you
Think I'm tired of loving her
I don't really want love

Pain, pain, pain, pain, pain You know you're.../You've got no...

You told me to follow him Teach him that I loved him I won't ever promise you I won't even bother to You gave me my first kiss I don't think I want it now I don't ever want again It's all that I had to have It's all that I wanted It's all that I had to I don't think I'll miss her I don't think I want her

Pain, pain, pain, pain, pain You know you're.../You've got no...
