

Nirvana, Very Ape

I am buried up to my neck in
Contradictionary flies
I take pride as the king of illiterature
I'm very ape and very nice

If you ever need anything please don't
Hesitate to ask someone else first
I'm too busy acting like I'm not naive
I've seen it all, I was here first

Out of the ground
Into the sky
Out of the sky
Into the dirt

If you ever need anything please don't
Hesitate to ask someone else first
I'm too busy acting like I'm not naive
I've seen it all, I was here first

[x2]
Out of the ground
Into the sky
Out of the sky
Into the dirt
