## Nirvana, Where Did You Sleep Last Night?

(Huddie Ledbetter)

[Originally by Ledbelly]

My girl, my girl, don't lie to me Tell me where did you sleep last night

In the pines, in the pines Where the sun don't ever shine I would shiver the whole night through

My girl, my girl, where will you go I'm going where the cold wind blows

In the pines, in the pines
Where the sun don't ever shine
I would shiver the whole night through

Her husband, was a hard working man Just about a mile from here His head was found in a driving wheel But his body never was found

My girl, my girl, don't lie to me Tell me where did you sleep last night

In the pines, in the pines Where the sun don't ever shine I would shiver the whole night through

My girl, my girl, where will you go I'm going where the cold wind blows

In the pines, in the pines Where the sun don't ever shine I would shiver the whole night through

My girl, my girl, don't lie to me Tell me where did you sleep last night

In the pines, in the pines
Where the sun don't ever shine
I would shiver the whole night through

My girl, my girl, where will you go I'm going where the cold wind blows

In the pines, in the pines Where the sun don't ever shine I would shiver the whole night through
