

# Nivea, Still In Love

Still in love  
Still in love  
Still in love  
Still in love

(Verse 1)  
Thinkin' maybe  
Things are gonna turn around  
Despite the arguments  
We can see eye-to-eye

Over (over), Over (over)  
Keeps playin' in my mind  
This here ain't right for me  
Too young to be held down

(Bridge)  
I fall for you  
Each time, each time  
This ain't no sayin'  
I get stuck  
All of the good times  
Way down, the bad times  
Guess that's why I'm still in love

(Chorus)  
Still in love with you  
Despite all we go through  
I can't turn away

You know that I'm still in love with you  
You know that I can't give up  
I'm still in love with you

(Verse 2)  
Got all,  
My girls  
Tellin' me to just let it go  
Tellin' me that it's just love lost  
But I know (I know)

Got all,  
My girls  
Tellin' me I should free my heart  
If it was so simple I would

(Bridge)  
I fall for you  
Each time, each time  
This ain't no sayin'  
I get stuck  
All of the good times  
Way down, the bad times  
Guess that's why I'm still in love

(Chorus)  
Still in love with you  
Despite all we go through  
I can't turn away

You know that I'm still in love with you  
You know that I can't give up  
I'm still in love with you

(Bridge 2)

Still in love wit' ya  
I'm so in love wit' ya

Still in love wit' ya  
I'm so in love wit' ya

Still in love wit' ya  
I'm so in love wit' ya

Still in love wit' ya

(Chorus X2)

Still in love with you  
Despite all we go through  
I can't turn away

You know that I'm still in love with you  
You know that I can't give up  
I'm still in love with you

Still in love (till fade)
