

# Nivea, What You Waitin' For

Verse 1:

I know I met you last night  
As soon as you walked by me  
You didn't really have to speak  
Didn't take a long time  
For me to peep how you  
Really wanna get with me

B-Section:

So whatcha say  
Better step to the plate  
Don't be afraid  
Before you wait too late  
Stop playing games  
Ain't got no time to waste  
Don't hesitate  
Or somebody's gonna take your place

Hook:

Come on, Come on  
Tell me what it is you're waiting for  
Whatcha waiting for (4x's)

Verse 2:

I don't pay no never mind  
To the people that are vibin'  
You're the only one I see  
I know you see me checkin' for you  
Do what you gotta do  
Why don't you make a scene

B-Section:

So whatcha say  
Better step to the plate  
Don't be afraid  
Before you wait too late  
Stop playing games  
Ain't got no time to waste  
Don't hesitate  
Somebody's gonna take your place

Hook:

Come on, Come on  
Tell me what it is you're waiting for  
Whatcha waiting for (4x's)
