Nkotb, Stop It Girl

Stop it! Stop it, Girl!
Stop it! Stop it, Girl!

I said stop it, girl. Look what you're doing to me
It's just not right. Can't you see?
This ain't the way it's supposed to be,
I should be lovin' you and you lovin' me

(mechanical voice) Stop Girl, before he breaks your heart

Stop girl, before he breaks your heart
I'm the one who loves you, right from the start
Stop girl, don't let him bring you down
I'm the one who loves you and I'll be around

He could never love you like I love you, girl
He could never say the things, like I need you in my world
Girl, I really love you, but you won't give me your time
You tell me that he loves you so and you can't make up your mind

Girl, he's not true
Now I know there's lovin' for you
It's all not true
It's not true, baby
OOOOOOOH

(Chorus)

I guess I'm gonna love you for my whole life long
Girl, he's not the one for you, I can tell you nothing wrong
Tell me that you love me, let me take you by the hand
Girl, my love is oh so true, try and understand

Girl, it's so true
All of my lovin' for you
It's all so true
So true, Baby
OOOOOOOH

Stop it, Girl!
Stop it, Girl
(Electric guitar bridge)

Stop Girl, before he breaks your heart
(Don't let him break your heart)
I'm the one that loves you, right from the start
(Right from the start)
Stop Girl, don't let him bring you down
(don't let him bring you down)
I'm the one that needs you and I'll be around
(I'll be around)
Stop it Girl, before he breaks your heart
(Oh Baby)

Don't let him
Don't let him
Don't let him
Bring you down

(repeat chorus to fade out)
