

# NLE Choppa, Old Town Road (Freestyle)

Yeah, yeah

I'm gonna take my Glock to the old town road  
I'm gonna shoot until I can't no more

I got the draco in the backseat  
Pull up I'ma shoot it  
If he want the smoke then  
You know I'ma smoke him  
I ain't with the coolin'  
Bull ridin' and booties  
Bitches with big booties  
Tattoos on her booty

Can't nobody tell me shi-i-it  
I got a Glock with a di-ick, yeah  
Can't nobody tell me shi-it, yeah  
I got a Glock with a di-ick

I'm gonna take my Glock to the old town road  
I'm gonna shoot until I can't no more
