God that's my witness, I just caught a bond  
I should probably wear a vest for all the stress I'm under  
But shorty never scared 'cuz she stick by my side  
And I stay with that stick by my side  
Bitch, I'm rich 'til I die (Yeah)  
Bitch, I'm rich 'til I die  
Shorty never scared 'cuz she stick by my side  
And I stay with that stick by my side  
Tired of fighting charges, swiping cards (Yeah)  
Bitch I'm rich 'til I die (Yeah)

Ayy, rich till I die  
Pull up on me and get hit with that fire  
That Draco in my hand but the Glock on my side  
And just like the sun I put him in the sky
