

NLT, Let Me Know

I cant read your mind
I need you to say it
Plain and simple
I would give my life to you
Everything you needed
Baby I would be it
Youre the only one I talk to
Who really knows me
Tells me shows me
That its enough sometimes just to be myself
I dont want nobody else
They dont understand
That I gave away my heart
The moment that I shook your hand
Take my breath away
Buy me anything I ask
Go anywhere I wanna go
I traded everything just to know
Chorus
Let me know you love me
Let me know you care
Let me know youre thinking of me
When I cant be there
Let me know you miss me
Call me up sometimes
I dont wanna go but boy you gotta let me know
Stop and listen
Its my thoughts calling your name
Screaming out the way I feel
I wish you would do the same
I think you might be on the same border
Same line same page
Im tired
Listening to your silence brings the water to my eyes
I dont want nobody else
They dont understand
That I gave away my heart
The moment that I shook your hand
[Let Me Know Lyrics On <http://www.elyricsworld.com/>]
Dont let me in the dark
Let this blind over my eyes
If you dont feel the same
Is everything we have a lie?
Chorus
Please give me a reason to stay
Gotta get us back on track
Cause the worst thing is
Loving someone who doesnt love you back
I think you do but I need you to say it
I cant read your mind
Tell me from time to time
I need you to say it
Need you to tell me (2x)
Chorus
I cant read your mind
I need you to say it (2x)
Let me know you love me
Let me know you care
