

No Angels, Confession (Lucy's Song)

I take a deep breath
'Cause I have to tell you how I feel about you
(Ooh baby)
I swallowed my pride
My intention tells me that's the right thing to do
(I'm not crazy)

'Cause I feel alright about this thing inside
My heart is whispering it's now or never!

I am here to tell you "Baby I love you"
There's no doubt about it
I'm falling into you... Yes I do...
Don't take my love for granted
This is my confession

Thoughts of you
Makin' my head spinning round & round
(Spinning round & round)
Take me as I am
Ready for the neverending love
(She's ready, she's ready, she's ready
for the neverending love)

And I feel alright about this thing inside
I know you wanna hear it now or never!

I am here to tell you "Baby I love you"
There's no doubt about it
I'm falling into you... Yes I do...
Don't take my love for granted
This is my confession

I'm not a story teller
I'm not lying to you
My heart is speaking out loud... Listen what I'm saying

Listen to her, listen to her, listen to her confession

I am here to tell you...

I am here to tell you "Baby I love you"
There's no doubt about it
I'm falling into you... Yes I do...
Don't take my love for granted
This is my confession

Listen to her, listen to her, listen to her confession
