## No Angels, Cry For You

Lost and by myself all alone Life can be so cold since you've gone Haven't seen you for so long I feel so wrong

And here it is begging you come home Missinng you wanting you come home

I cry for you feeling lost and lonely now I cry for you you're still the one and only for me I'll die for you and I miss you so Cry for you I cry for you

I ran away from those lies that I had told There was no reason why I was such a fool And finally I've lost your loving heart and soul

And here it is begging you come home Missinng you wanting you come home

I cry for you feeling lost and lonely now I cry for you're still the one and only for me I'll die for you and I miss you so Cry for you I cry for you

I miss you like crazy Come back and stay I'm never gonna give you up My heart will break you'll see

I cry for you I cry for you

And I cry for you feeling lost and lonely now I cry for you're still the one and only for me Miss you so I cry for you Cry for you
