

No Angels, Let's Go To Bed

I get in it when I'm high strung
I lay back and dream of the caribbean sun
The only place that we all love
Spend half our lives laying in it snug snug
To sleep and eat
Repeat retreat
Sex fast and deep
Recline un-wind
We waste so much time there cause it's warm
It's a place we lock the world out

Let's go to bed baby
Let's go to bed
Let's go to bed baby
Let's go to bed
Let's go to bed

John Lennon was my hero
He spoke peace
While laying in bed with yoko
Sometimes we gotta go slow
And when I'm ill I'm in with a hot cup of choco

Duva silk sheets
Night night can't sleep
Lets count some sheep
Recline un-wind
We waste so much time there cause it's warm
It's the place we lock the world out

Let's go to bed baby
Let's go to bed
Let's go to bed baby
Let's go to bed
Let's go to bed

Cause when I'm tired
I wanna sleep
And when I'm hungry I'm gonna eat
Don't wanna sit down in no seat
Cause when I'm ready
Come on let's retire dream about
This funky sound

Let's go to bed baby
Let's go to bed
Let's go to bed baby
Let's go to bed
Let's go to bed
