

No Angels, Life is a miracle

Cuz life is a miracle
The greatest miracle can't u see
Love comes so natural
This world is made for u and me
Why sit on a wheel of fortune
And hide away from the storm
Go ride on that rollercoaster
Leave those worries at homes
All this information bout this situation
Why don't u just live and find out
Let go of the tension
Cuz of celebration
There's nothing to be scared about
Cuz life is a miracle
The greatest miracle can't u see
Love comes so natural
This world is made for u and me
Cuz life is a miracle
The greatest miracle you will see
It's also beautiful
So come and share your world with me
Some never know what luck is
They don't know where it is found?
And some people cry about it
Crashing hard on the ground
Whatever education
Love so sweet temptation
It comes in all sizes and shapes
A wonderful sensation
Known in every nation
It will last for all of our days
Cuz life is a miracle
The greatest miracle can't u see
Love comes so natural
This world is made for u and me
Cuz life is a miracle
The greatest miracle you will see
It's also beautiful
So come and share your world with me
We all need to feel love now
We all need a hand to hold on to
And no one makes me feel better
No one makes me feel the way you do...
Cuz life is a miracle
The greatest miracle can't u see
Love comes so natural
This world is made for u and me
Cuz life is a miracle
The greatest miracle you will see
It's also beautiful
So come and share your world with me
