

# No Angels, Promises Can Wait

Promises can wait my baby  
So let's not hesitate let's play  
I'm looking for a smile  
I'm looking for laughter  
We'll think of loving after, hey hey  
Think of loving after, oh oh yeah

My goodness how you have grown  
Last time I saw you you didn't know how to be a man  
But I can see you've changed to say the least

And maybe you're the one  
At least let's have some fun, baby come on

Promises can wait my baby  
So let's not hesitate let's play  
I'm looking for a smile  
I'm looking for laughter  
We'll think of loving after, hey hey  
Think of loving after, oh oh yeah

I'm diggin' your vibe and I won't lie  
I've had my eye out for that special guy  
I was searching far and wide  
And here you are next door

And maybe you're the one  
At least let's have some fun, ohoho

Promises can wait my baby  
So let's not hesitate let's play  
I'm looking for a smile  
I'm looking for laughter  
We'll think of loving after, hey hey  
Think of loving after, oh oh yeah

Promises can wait  
So let's not hesitate let's play  
Promises can wait

And maybe you're the one  
At least let's have some fun, oh yeah

Promises can wait my baby  
So let's not hesitate let's play  
I'm looking for a smile  
I'm looking for laughter  
We'll think of loving after, hey hey  
Think of think of, yeah

Promises can wait my baby  
So let's not hesitate let's play  
I'm looking for a smile  
I'm looking for laughter  
We'll think of loving after, hey hey  
Think of think of, yeah

Promises can wait my baby
