## No Angels, Still In Love

The best time I ever had When you were mine Said to myself to keep you near Never let you go But trains and boats and aeroplanes Took me away From you

Away from all the love we had From all the things we shared And tell me What can I do? You're always on my mind

(Chorus)
If I could sing my song to you
I'd tell you how my heart is broken too
From any corner of the world
I'd let you know I'll always be your girl
I'm still in love with you

Lonely days and lonely nights
Since you've been gone
I miss your touch, I miss your smile
Always by my side
I think about the times we had
And I wonder why?
Oh why?

Why you had to steal my heart When we're a world apart So tell me Baby what should I do? You're always on my mind

(Chorus)

I'm still in love with you

If I could sing my song to you... Oh baby You know my heart is true You're always on my mind

(Chorus)

I'm still in love with you...
