

# No Cash, Skate Or Die

i'm bustin out of this hole  
breakin out and breakin in i have got an evil soul  
rippin shit with a wicked grin i know my enemies  
everyone who's not like me dont ya try and stop me, pig  
i'm on my board and now i'm free

what the f\*\*k is sense of pride  
shut yer mouths and live yer lives  
live to skate, skate or die  
with this motto i'll survive  
we'll rot away on that played out curb  
resting on broken glass and dirt  
and to all of you who stood in our way:  
you will get what you deserve
