No Doubt, Just A Girl

Take this pink ribbon off my eyes I'm exposed, and it's no big surprise Don't you think I know exactly where I stand This world is forcing me to hold your hand

'Cause I'm just a girl, little ol' me Well, don't let me out of your sight Oh, I'm just a girl, all pretty and petite So don't let me have any rights Oh, I've had it up to here

The moment that I step outside So many reasons for me to run and hide I can't do the little things I hold so dear It's all those little things that I fear

'Cause I'm just a girl, I'd rather not be 'Cause they won't let me drive late at night Oh I'm just a girl, guess I'm some kind of freak 'Cause they all sit and stare with their eyes Oh I'm just a girl, take a good look at me Just your typical prototype Oh, I've had it up to here!

Oh, am I making myself clear?

I'm just a girl I'm just a girl in the world That's all that you'll let me be

Oh I'm just a girl, living in captivity
Your rule of thumb makes me worrisome
Oh I'm just a girl, what's my destiny?
What I've succumbed to is making me numb
Oh I'm just a girl, my apologies
What I've become is so burdensome
Oh I'm just a girl, lucky me
Tweedle-dum there's no comparison

Oh, I've had it up to! Oh, I've had it up to! Oh, I've had it up to here
