

No For An Answer, Guiding Line

I am self-determined, I am self-defined,
I am a slave only to my own guiding line,
(Chorus)
I decide (x4)

I was once so shaken I could hardly stand,
I'd trusted my heart blindly to sick and unclean hands,

(Chorus)

Loyalty is never certain except from one man,
You'll find him in the mirror,
he's the best friend you have.
