

No Mercy, More

(Music by G.Mart/Lyrics by F.Farian, P.Bischof-Fallenstein/ Published by FMP Songs) Songs)

What do you want
What do you need
I'll give you everything
Your satisfaction'll turn complete?
You never felt
Like this before
Nobody's gonna give you
More more more
You get more...
I got a lot of pride
You're my perfect lover
When it comes to loving
There could never be another
Everything you dream of
Will soon be coming true
Girl you gonna love the way
I do the things I do
I'm your perfect lover
Forget about the rest
You can search the world
Nobody's gonna stay the test
What do you want
What do you need
I'll give you everything
Your satisfaction'll turn complete?
You never felt
Like this before
Nodody's gonna give you
More more more
You get more...
I will make you happy
Cause I can read your mind
Soon you gonna learn
A love like mine is hard to find
I'm your perfect lover
Forget about the rest
You can search the world
Nobody's gonna stay the test
What do you want
What do you need
I'll give you everything
Your satisfaction'll turn complete?
You never felt
Like this before
Nodody's gonna give you
More more more
You get more...
What do you want
What do you need
I'll give you everything
Your satisfaction'll turn complete?
You never felt
Like this before
Nodody's gonna give you
More more more
What do you want
What do you need
I'll give you everything
Your satisfaction'll turn complete?
You get more
You get more
What do you want
