

# No One, Mindless

Blinded what's covering your eyes?  
Hiding are half your words just lies?  
Chasing what's running through your mind?  
Can you catch it in time?

Feeling the weight of change pressed upon you  
Do you like the pain close behind you  
Are you just afraid of me?  
Are you just afraid of me?  
Still the endless flight is not reliving  
Am i just too close are you breathing  
Are you just afraid to be free?  
Are you just afraid to be free?

Timing is it meant this way?  
Wasted there goes another day  
Searching for the answer why  
Nothing I find  
Tell me that you want it, tell me that  
You want it, tell me!

Feeling the weight and pain all around me  
Do you like this game that surrounds you?  
Do you still feel a part of me  
Do you still feel a part of me  
All within my mind now deciding  
Trying to save two hearts from dividing  
But now you seem too far from me  
But now you seem too far from me

Where is your mind, where is your mind?  
Tell me  
Where is your mind?  
Cuz I can't find it  
Mindless

You're searching for a sign you cannot find  
Peace is far away, why can't you stay away  
You're crying behind your eyes  
You're crying behind your eyes for peace  
You're hiding behind your lies  
Your mind is so confined  
So free it!

Where is your mind?  
You're mindless
