

No Secrets, I'll Remember You (Full)

It has been so long since we have talked
I hope that things are still the same
Hoping they will never change
cause' what we had can't be replaced
don't let our memories fade away
keep me in your heart for always

[chorus]

You made me believe
that i can do almost anything
Stood right by me
through the tears through everything
I'll remember you
and baby that's forever true
You're the one that i'll always miss
never thought it would feel like this
I'll be there for you...
no matter what you're going through
in my heart you'll always be
forever baby
I'll remember you...

I promise you i won't forget
the times we shared, the tears we cried
you'll always be the sun in my sky
It may be fate that brings us back
to meet again someday
even though we go separate ways...

[chorus]

If the day should come when you need someone
you know that i'll follow
I will be there
Don't ever let there be a doubt in your mind
cause' i'll remember you (you)

I'll remember you
and baby that's forever true
You're the one that i'll always miss
never thought it would feel like this
I'll be there for you...
no matter what you're going through
in my heart you'll always be
Forever baby
I'll remember you...

Forever baby... I'll remember... You...
